Registered
Dietitians

Take a Fun, FREE Field Trip at Your Local Loblaw® Banner Store

“This field trip tied in nicely with our Healthy Eating unit. Now when students go shopping with their parents they can add some real input backed up with actual facts. The students thoroughly enjoyed the scavenger hunt and especially the very healthy snack. Thanks again!”

Lella D. - Thornhill, Ontario

What is it?

Hands-on nutritional field trip led by the in-store Registered Dietitian through the aisles of your local grocery store – fun activities and healthy snack included! (Approximately 60 minutes in length)

What do students learn about?

- The benefits of choosing healthy foods
- Guiding Stars® food navigation system
- Canada’s Food Guide and the importance of the four food groups
- Helpful nutritional skills

Why attend?

- Experiential learning is effective and fun
- Aligns with Ontario Health and Physical Education Curriculum
- Encourages activity in your local community

Who is eligible?

- Students in Junior Kindergarten to Grade 12
- Groups of 5 - 30 students
- All non-school youth organizations (including camps, daycares, community and sports groups)

A second field trip option *including a Cooking Class* is also available at select locations for \$10 + taxes per participant!
